

Neil Norman is a product of Sweetwater, Texas. The son of a County Extension Agent, he grew up in Roby Texas during the 1950's. In 1966 the family moved to Graham where he graduated from Graham High School in 1974.

During his final year in high school he made the decision to enter the ministry and full-time Christian service. One of the youth directors at the church is credited with influencing young Neil to attend undergraduate school at Texas Wesleyan University in Fort Worth. His education continued at Brite Divinity School TCU also in Fort Worth.

In 1980, Neil met Patrece Allen, his wife. They were engaged a month after their meeting and celebrated their thirty-sixth anniversary last year. They have two married children, Chris and Erin, and have two grandchildren.

Neil has served as pastor throughout the conference in Fort Worth (Arbor Lawn and Meadowbrook) as well as in Mexia, Granbury, and now Poolville.

Neil and Patrece live in Weatherford and enjoy traveling, especially to New Mexico and Colorado.
